

TENDER DOCUMENT

FOR

Overhauling along with supply of spares for starting diesel Engine (Make: Detroit, Type: V71) for GTG-I of CPP on turnkey basis.

NIT No.: NIII/Mech/17/Cont-650/2416

Date: 24-02-2018

BVFCL, NAMRUP

**BRAHMAPUTRA VALLEY FERTILIZER CORPORATION LIMITED
MECHANICAL DEPARTMENT**

1.0 DIESEL ENGINE SPECIFICATION:

Make: Detroit

Model: 71237000 (V-71)

SI no: 12 VA 078337 for GTG-I

2.0 A) SCOPE OF WORK:

The detailed scope of Work for Complete Overhauling and re-commissioning of V-71 Series Detroit Diesel Engine of GTG-I shall include Dismantling of Detroit Diesel Engine at site and assessment of additional spares requirement if any (other than the spares listed below as must change items). Hydro test/D.P. test of cylinder heads for crack determination of main & big end bearings, connecting rods, gudgeon pins & pistons, cam shaft, cam bushes, rollers & roller pins & other associated parts as necessary. Servicing of lube oil pump, oil cooler, water pump, exhaust manifold, silencer and other parts of engine. Condition of allied sub-assemblies of the engine should be checked and repaired if needed and feasible repairing/ reconditioning of worn out components. Assembling the engine according to standard maintenance guide lines supplied by the manufacturer, Re-commissioning of the diesel engine, trial run & hand over of the same. Engine should run smoothly , without any abnormal vibration and sound .

If specifically not mentioned herein after or not mentioned anywhere else, the scope of work shall include but not limited to the following for completion of entire job of overhauling: -

1. Prior to dismantling, observation and abnormalities to be documented.
2. Dismantling of the machine.
3. After dismantling the engine, following to be checked and rectified if required;
 - a. To check the crankshaft for any scorings.
 - b. To check the conditions of the main bearings.
 - c. To check the condition of connecting rod assy & reassemble the same with new Conn. Rod bearings & new bolts & nuts.
 - d. Replacing the new cylinder Kits (Liners, Pistons & Ring Sets)
 - e. Dismantling of cylinder head assy & its components, check for any cracks or leakages & reassemble the same with new valves, guides, seats, seals, springs, washers, cam followers & injector tube hole kits after thorough cleaning of carbon deposit.
 - f. Dismantling of Fuel pump assy & reassembling the same with new repair kit after cleaning.
 - g. Dismantling of Blower assy & reassembling the same with new repair kit after cleaning.
 - h. Dismantling of water pump assy & reassembling the same with new repair kit after cleaning.
 - i. Dismantling of Turbocharger, check the internal parts & reassemble the same with new repair kit.
 - j. Calibration of Injectors with new repair kits.
 - k. After complete reassembling of the accessories, the same will be refitted on the engine.
4. Complete tuning of the engine will be performed (Injector height, Tappet, Rack & Governor Settings)
5. Governor assy will be checked & greasing will be done for its smooth operations.
6. All the filters will be replaced. (Fuel, Oil & Air)
7. After tuning of the engine, engine will be started on idle mode to check for leakages, abnormal sound or smoke & the same will be rectified if any found.
8. All the hoses will be replaced.
9. NRV will be checked.
10. On completion of successful idle run, engine will be restarted & load test will be performed.
11. Submission of Detailed Overhaul & Inspection Report

B) SCOPE OF SUPPLY:

List of replaceable spares for Detroit engine V-71 for GTG-I is given below. The agency shall ensure supply and usage of only new genuine Detroit spares that are suitable for V-71 Engine for GTG-I during overhauling. Proof of CISF gate entries must be maintained for all spares brought inside the plant for ensuring proper accounting

Note:

1. Party shall furnish interchangeability certificate of the above item without time limit with original one without any modification.
2. The party shall furnish guarantee/Warranty certificate along with supply against defective material and poor workmanship, for a period of 18 months from the date of delivery or 12 months from the date of commissioning, whichever is earlier.
3. **Specification/description of items:** The price shall be quoted as per the specification, make, size, and type of the existing unit. Any alteration in the said description shall not be considered.
4. **Unit Rate:** The unit price for all the items shall be inclusive of all (except GST) charges on door delivery basis. The unit rate will be fixed & firm during entire contract period.
5. **GUARANTEE:** The supplied spares along with job executed shall be guaranteed for a period of 180 days and replacement of spares & repair job shall be done free of cost within this period.
6. Party shall mention minimum delivery period of the spare.

3.0 SPECIAL TERMS & CONDITIONS:

3.01 CONTRACTOR'S SCOPE:

1. Disassembly and assembly of parts / subassemblies, checking, cleaning & preparing and reassembling after testing the sub assemblies.
2. Contractor shall make all temporary connections for connecting utilities (air/water/power) to the point where needed on the diesel engine.
3. Continuous site housekeeping and regular maintenance utilities for this job.
4. Any deviation, alteration, omissions, modifications etc. as per site condition & / or instruction of BVFCL engineer in-charge shall be made by contractor within their quoted rates to complete the job.
5. To return the dismantled / excess / scrap material to BVFCL store & shall follow the instructions of engineer in-charge. The site shall be left clean after the completion of job.
6. Personal Protective Safety Equipment like Safety Helmets, Safety Goggles, Face Shields, Safety Belts, Hand Gloves etc.
7. Contractor is responsible for engagement and deployment of total work force including supervisory staff & Engineers. Required safety appliances for the workmen are to be provided by agency .
8. All tools and tackles whatsoever required to meet the entire scope of work shall be in the Scope of the contractor. This shall also include tools like precision measuring tools that may be required for overhauling purpose. For all the tools brought inside proof of CISF gate entries are must.
9. Transportation of man & material required for the job shall be in the scope of the contractor.
10. Safety and security of the machine and spare parts since handing over of the work front shall be in the contractor's scope.
11. The contractor is solely responsible for proper storage of the spares/tools etc. that are brought in by them till the completion of the job.
12. To & fro Local Travelling, Lodging and fooding of their staff and workers from work site to their place of stay.

3.02 BVFCL'S SCOPE:

BVFCL shall provide following free of cost for carrying out the job as per scope:

1. Store cum Office space at site.
2. Workshop facilities for any repair as may be needed on dismantled components.
3. Spares required for the Major Overhauling.
4. Argon, Oxygen & DA Gas Cylinders if required
5. Temporary LT Power Supply 3 phase, 50 Hz, 415 Volt with TPN switch, Flood Lights, Hand Lamps, Extension Boards etc.
6. Compressed Air at a Pressure of 6 kg/cm² (g) (max) at one point.
7. L. P. Steam & DM water for cleaning of parts.
9. Lodging for Contractor's staff and workmen, if required, on chargeable basis, subject to availability.
10. Medical facilities, as available in BVFCL Hospital, on chargeable basis subject to availability.

3.03 MOBILIZATION:

The tentative date of commencement of work would be **June-September 2018**. However, the same may get pre-pone or post-pone as per plant requirement. Mobilization of manpower shall be done within 20 (Twenty) days of our intimation by Fax / Telephone / E-mail. The mobilization should be done as quickly as possible and the Tenderer shall mention the Minimum Time Period, required for site mobilization in the Tender. The site mobilization shall be completed within agreed Time Period. However, supply of spares to be completed prior to mobilization of manpower.

3.04 COMPLETION TIME:

10 (Ten) days from the date of commencement of work at Site.

3.05 Inspection:

- 1) The contractor shall carry out inspection for entire scope of work in accordance with standard practices as prescribed by /OEM and as per standards.
- 2) The entire work covered under contract shall be inspected by BVFCL's Engineer In-Charge from time to time as well as on its completion. The work will have to be completed to the entire satisfaction of the Engineer In-Charge.

4.0 GENERAL TERMS & CONDITIONS:

4.1 Interested Tenderer, after studying all the tender documents carefully, may also see the job physically at site and obtain necessary clarifications, if any, before submitting their tenders obtain necessary clarifications, if any, in writing before tendering. The tenderer should satisfy himself with the site conditions prevailing at the place of work. No claim on ground of want of knowledge in this respect will be entertained. No claim for extra charges consequent upon any misunderstanding or otherwise will be allowed.

4.2 Validity of Contract :

The contract shall remain **valid for a period of 12 (Twelve) months** reckoned from the date of its award. The job can, therefore, be got done any time during the tenure of the contract. Normally, a Notice of 10 days would be given for starting the job but the Tenderer should be able to mobilize as quickly as possible, if the necessity so arises.

4.3 Escalation in Rates:

The rates quoted will be firm till the currency of the contract and will not be subjected to escalation irrespective of any increase whatsoever in labour or material cost etc.

5.0 Earnest Money Deposit:

The Tenderer shall make a deposit of Rs. 39, 290.00 (Thirty Nine thousand two hundred ninety) as Earnest Money deposit in the form of an A/c. Payee Demand Draft, payable at SBI, Namrup (Branch Code: 0223.) drawn in favour of M/s. Brahmaputra Valley Fertilizers Corporation Limited, Namrup. No interest shall be payable on EMD.

The Tenderer, registered under National Small submission of E.M.D., Scale Industries are exempted from of relevant certificate from concerned subjected to submission Authority along with Tender Documents.

6.0 Security Deposit (SD) cum Performance /workmanship Guarantee (PBG)

Security Deposit together with EMD Shall be 10% of the Work Order value which is required to be deposited within 15 days of the receipt of Work Order. Alternatively, Performance Bank Guarantee from any Nationalised / Scheduled Bank except Rural or Co-Operative Bank may be submitted for 10% of the contract value. The Performance Bank Guarantee shall be valid till the expiry of defect liability period with provision for claim period up to 6 months. The Security Deposit shall be refunded after expiry of Defect Liability / Guarantee Period and shall be claimed up to period of 6 months. No interest shall be paid on E.M.D., and S.D.

7.0 Liquidated Damages:

In the event of work is not completed according to the time schedule, you shall have to pay Liquidated Damages to BVFCL @ of 1 % of the total value of work for delay of every day or part thereof, subject to a ceiling of 10 % of the total value of the work.

8.0 Terms of Payment:

8.1 100% of value of completed work shall be released, after successful completion of the job and after submitting of invoice by the party in triplicate subject to recovery if any. However, 100% payment is subject to fulfilment of Security Deposit-Cum- performance bank /Workmanship Guarantee

In case of non-compliance, 90% of value of completed work shall be released after successful completion of the job and 10% shall be kept against security deposit cum performance /workmanship guarantee for a period of liability.

8.2 Payment will be made through RTGS/NEFT. The party shall provide their bank account details.

8.3 All statutory payment/ deduction shall be made as per rule of BVFCL.

9.0 Period of Liability:

Tenderer will stand guarantee for the work done for trouble free operation for a period of 12 months from the date of commissioning or 18 months from the date of completion of work whichever is earlier. Any damage or defect or other faults that may arise or lie undiscovered at the time of issue of completion certificate, or appear within defect liability period after the virtual completion of the work, arising in the opinion of the owner from material or workmanship not in accordance with the contract, shall upon the directions in writing of the owner and within such reasonable period specified therein, shall be rectified by the Tenderer at his cost, most expeditiously or in case of default, BVFCL may cause the same to be made good by other workmen and deduct expenses from any sums that may be there or at any time thereafter become due to the Tenderer or from his security deposit. BVFCL shall be under no obligation to accept / entertain any claim / demand whatsoever in this behalf. The workmanship guarantee for rectified portion of work shall commence from the date of rectification for a subsequent period of 12 (twelve) months of the balance period as stated above, whichever is later.

The Contractor shall be responsible for the proper workmanship and shall not be relieved of his obligation in this regard just because BVFCL raised no objection during the progress of work. The decision of the Owner regarding bad workmanship shall be final, binding and conclusive.

Any defect noticed during the various stages of inspection during work under progress as per scope shall be made good by the Contractor to the satisfaction of BVFCL before proceeding further. Irrespective of the inspection, repair and approval at intermediate stages of work, the Contractor shall be responsible for making good any defect found during final inspection and guarantee period.

10.0 Sub-Contracting: Sub-Contracting of the job is will not be allowed.

11.0 The Contractor shall ensure that the payment of the minimum wages to the labourers, specified by the government from time to time, has been made in accordance with the Minimum Wages Act. **Upward revision of Minimum Wages from time to time shall be deemed to be inbuilt in the quoted rates of the Contractor.** If at any time, it is noticed or it comes to the knowledge that the payment, to the labourers employed by the Contractor, is not made in accordance with the Minimum Wages Act, BVFCL shall reserve the right to take remedial action to regulate the payments.

12.0 The Contractor shall comply with the provisions of Contract Labour (Regulation & Abolition) Act 1970 and rules framed there under & amended from time to time.

13.0 The Contractor shall abide by all the Acts / Labour Laws related to PF, Wages, Holidays, Leaves, and Overtime etc. The Contractor is required to comply with all statutory provisions, from time to time, during the tenure of the contract.

14.0 Safety Regulations:

The Contractor shall observe and abide by all the Fire and Safety Regulations of the BVFCL. Before starting maintenance work, the Contractor shall consult BVFCL's Safety Officer or the Engineer In-Charge, if the Safety Engineer is not available, and familiarize himself with such regulations, copies of which will be furnished to him by BVFCL, when requested. He shall be responsible for and must make good, to the satisfaction of the BVFCL, any loss or damage due to fire to any portion of the work to be done under this agreement or to any of the BVFCL's existing property.

All the accidents to Contractor's staff will be reported to the Safety Officer promptly. This will, however, not relieve the Contractor of any other statutory obligations. The Contractor shall not undertake any hot job without Safety Work Permit. **He has to maintain First Aid Box in his office. Also necessary Safety Equipment like Helmets, Hand Gloves, Face Shields, Safety Belts etc. are to be provided to his workmen by the Contractor.** However, Special Safety Equipment (if any) required as per requirement of the job shall be provided free of cost by BVFCL.

15.0 Force Majeure:

The terms and conditions mutually agreed upon with respect to this agreement shall be subject to Force Majeure. Neither the Contractor nor BVFCL shall be considered in default in the performance of their obligations contained therein, if such performance is prevented or delayed or restricted or interfered with by reason of **War, Hostilities, Revolution, Civil Commotion, Strike, Epidemic, Accident, Fire, Cyclone, Wind, Flood, Earthquake, Regulation or Ordinance or Requirement of any Government or any Sub-Division thereof, or Authority or Representative of any such Government and / or due to Technical Snag/Reasons, or any other Act whatsoever, whether similar or dissimilar to those enumerated, beyond reasonable control of the parties hereto, or because of any Act of God.** The party so affected, upon giving prompt notice to the other party, shall be excused from such performance to the extent of such prevention, delay, restriction or interference for the period it persists, provided that the party so affected shall use its best efforts to avoid or removal of such causes of non-performance, if possible, and shall continue performance hereunder with the utmost dispatch whenever such causes are removal old. Should one or both parties be prevented from fulfilling their contractual obligations by a state of **Force-Majeure lasting continuously for a period of three months**, the two parties to the contract shall meet and decide about the future course of action for implementation of the contract.

16.0 Conciliation & Arbitration:

"Except where otherwise provided in the contract all matters, question or differences whatsoever, which shall at any time arise between the parties hereto, touching the construction, meaning, operation or effect of the contract or out of matter relating to the contract or the breach thereof or the respective rights or liabilities of the parties during or after completion of the works or whether before or after termination, shall after written notice by either by either party to the contract be referred to the arbitration of the Unit Head / ED / Functional Director / Chairman & Managing Director, Brahmaputra Valley Fertilizers Corp Ltd. or his / her nominee.

The arbitration & Conciliation Act, 1996 or any statutory modification or re-enactment thereof and the rules made there under shall govern the Arbitration proceedings.

The contractor hereby agrees that he shall have no objection if the arbitrator so appointed is an employee of BVFCL and he had to deal with the matter to which contract relates and that in the course of his duties as such he has expressed his views on all or any of the matter in dispute of differences.

17.0 Jurisdiction: Notwithstanding any other court or courts having jurisdiction to try any civil suit arising out of this contract, it shall be only the court of competent jurisdiction at Dibrugarh alone (where the contract shall be deemed to have been entered into) to try such suits to the exclusion of all other courts of the country and all causes of action in relation to the contract will therefore be deemed to have arisen within the **Jurisdiction of the Courts at Dibrugarh (Assam) only.**

18.0 BVFCL is committed to a corruption free environment." All the works contract, services and commitments of BVFCL will be honored without the citizen having to pay any bribe". In case any person demands any bribe, it is the duty of responsible citizen to inform the matter to Vigilance Office, BVFCL, Namrup, Assam. (Email: vigilance@bvfc.co.in).

PRE QUALIFICATION CRITERIA FOR THE BIDDER

1. The bidder should have experience of similar nature work ie successfully executed the repairs/maintenance/overhauling jobs for the Detroit Diesel engine fitted in frame V Gas turbine in the last seven Years ending 31.12.2017 in central/state public sector undertaking in fertilizer, oil & Gas, petrochemical sector along with performance feedback from end user.

The bidder shall furnish documentary evidence for work order executed and satisfactory work completion certificates of the same, along with the offer.

2. The bidder should have supplied and used genuine Detroit spares during carrying Repairs/Maintenance/Overhauling jobs on Detroit Diesel Engines earlier in the last 7 years either in a single work or in separate works in central/state public sector undertaking in fertilizer, oil & Gas, petrochemical sector and performance feedback.
 - The agency shall ensure supply and usage of only new genuine Detroit spares that are suitable for V-71 Engine during overhauling.
 - The bidder shall furnish documentary evidence for the same, along with the offer
3. The bidder shall furnish documentary evidence in form of Work Order / Contract copies along with satisfactory completion certificates in support of their claim of doing such work by them and successfully completed during the last 7 (Seven) years ending last day of month previous to the one in which applications are invited should be either of the following in central/state public sector undertaking in fertilizer, oil & Gas, petrochemical sector
 - a. Three similar completed works costing not less than Rs 7.86 Lakh OR
 - b. Two similar completed works costing not less than Rs 9.83 Lakh OR
 - c. One similar completed work costing not less than Rs 15.72 Lakh.
4. Average annual financial turnover during the last 3 years, ending 31st March of the previous financial year, should be at least 30% of the estimated cost.

FORMAT FOR PRE-QUALIFICATION CRITERIA

(Specimen copy: To be filled online only)

Sl	Description	Requirement	Remarks
1	Reference of minimum one satisfactorily completed similar Overhauling of Detroit Diesel engine during the last 7 years as per clause 1.1 of PQ criteria	Submit the copies of PO/WO and their completion certificate issued by customer	
2	Supply and use of genuine Detroit spares during execution of Repairs/Maintenance/Overhauling of Detroit Diesel Engines. Note: No replacement make spare is entertained.	Authentic documents in support of genuineness of spare are to be furnished.	
3	Last three years Average yearly financial turnover (not less than 30% of estimated amount) as per clause 2.1 of PQ	Submit the copies of Audited balance sheet for the last three successive years prior to bid submission date.	
4	The bidders should have sufficient experience of executing similar work i.e., Single work costing not less than Rs 15.70 lacs or Two works costing not less than Rs 9.80 lacs each or Three works costing not less than Rs. 7.85 lacs each	Submit the copies of PO/WO and their completion certificate issued by customer
