 - 2.1 Seamless Tubes: In required quantities & dimensions and with MOC: ASTM A 179, Baffle Plates, Tie Rods with Nuts and Spacer pipes.
 - 2.2 Filler Wires of grade 309L for welding tube-to-tube sheet
 - 2.3 Oxygen, Acetylene Gas & Argon Gas cylinder, electric power connection and compressed air at single utility point.
 - 2.4 Temporary LT power supply 3Ø 50 Hz, 415 volt with TPN switch
 - 2.5 Air at a pressure of 6 kg/cm² (g) (max)
 - 2.6 Store cum office space at site.
 - 2.7 Medical facilities, as available in BVFCL hospital on chargeable basis. However First Aid facilities will be provided free of cost.
 - 2.8 Water and electricity, as may be required will be supplied free of cost.
- 3.0 Time schedule / completion period:
 - 3.1 Mobilization of Men and material shall be done within 07 days of our intimation by Fax / Telephone / E-mail.
 - 3.2 The total completion period for the entire work of retubing of the said Methanated Gas Cooler will be maximum 25 days from the date of site clearance excluding mobilization period.

Contd.....2/-

General Terms & Conditions:

4.0 Validity of contract:

4.1 The job shall be taken up on urgent basis. Normally a Notice of 07 days would be given for mobilization the resources for site. But the party should be able to mobilize at a very short notice (within mobilization period), if required. However the contract shall remain valid for a period of 12 months reckoned from the date of its award.

5.0 Escalation in Rates: The rates quoted will remain firm till the currency of the contract and will not be subjected to escalation irrespective of any increase whatsoever in labour or material cost etc.

6.0 **SECURITY DEPOSIT CUM PERFORMANCE / WORKMANSHIP GUARANTEE:**

i) For due and faithful execution and performance of the contract the contractor shall provide the owner with financial guarantee in the form of a Bank Guarantee, issued by any Nationalized Bank, for a sum equivalent to 10% of the total contract value within a period of 30 days of placement of work order. The Bank Guarantee so executed shall be valid till the expiry of defect liability period with provision of claim period of up to 06 months.

-OR-

ii) The sum equivalent to 10% of total contract value shall be deducted from party's bill & the same shall be released after expiry of workmanship guarantee period of 06 months. However, E.M.D. shall be adjusted with S.D. No interest shall be paid on S.D.

7.0 Period of Liability: Tenderer shall stand guarantee for the work done for trouble free operation for a period of 6 months from the date of completion of work. Any damage or defect or other faults that may arise or lie undiscovered at the time of issue of completion certificate or appear within the defect liability period after virtual completion of the work, occurring in the opinion of the owner, due to material or workmanship not being in accordance with the contract, shall upon the directions of the owner in writing and within such reasonable period specified therein, be rectified by the contractor most expeditiously at his own cost, or, in case of default, BVFCL may get the same rectified/ made good by other workmen and deduct expenses from any sums that may be there or at any time thereafter that become due to the contractor or may recover from his security deposit. BVFCL shall be under no obligation to accept / entertain any claim/demand whatever on this behalf. The workmanship guarantee for rectified portion of work shall commence with effect from the date of rectification for a subsequent period of 6 months of the balance period as stated above, whichever is later.

8.0 **TERMS OF PAYMENT:**

8.1 100% of value of completed work shall be released, after successful completion of the job and raising of invoice by the party in triplicate subject to recovery, if any, however, 100% payment is subject to fulfillment of security deposit cum performance / workmanship guarantee as in noting at clause no. 6.0.

-OR-

i) 90% of the value of completed job will be released on successful completion of the work duly certified by BVFCL Engineer.

ii) Balance 10% shall be retained as Security Deposit. Which will be released after expiry of workmanship guarantee of six months to be valid from the date of completion of job.

8.2 All the statutory taxes and duties shall be paid extra as applicable, to tenderer/deducted from tenderer's bills, as the case may be at usual and prevailing rates. Income Tax however shall be deducted from bills.

8.3 Service Tax, if and as applicable shall be paid at usual and admissible rate on production of copy of valid service tax registration certificate issued by appropriate excise authority.

Penalty: In the event that the work is not completed according to the time schedule the contractor shall have to pay Penalty of BVFCL @ of 0.5% of the total value of work for delay of every week or part thereof subject to a ceiling of 10% of the total value of the work.

Contd.....3/-

- 9.0 The contractor shall ensure that the payment of the minimum wages to the labourers, as specified by Government from time to time, shall be made in accordance with the Minimum Wages Act. Upward revision of Minimum Wages from time to time shall be deemed to be inbuilt in the rates quoted by the Contractor. If, at any time it is noticed or it comes to knowledge that the payment to the labourers employed by the contractor is not made in accordance with the Minimum Wages Act BVFCL shall reserve the right to take remedial action to regulate the payments.
- 10.0 The contractor shall comply with the provisions of contract labour (Regulation & Abolition) Act, 1970 and rules framed there under & amended from time to time.
- 11.0 Safety Regulation: The contractor shall strictly follow and abide by all the fire and safety regulations of BVFCL. Before starting maintenance work the contractor shall consult BVFCL's safety officer or the Engineer-In-Charge, if the safety Engineer is not available and familiarize himself with such regulations copies of which will be furnished to him by BVFCL on request. He shall be responsible for and must rectify/make good, to the satisfaction of the BVFCL, any loss or damage, due to fire, caused to any portion of the work to be done under the agreement or to any of the BVFCL's existing property.
- 12.0 Jurisdiction: Notwithstanding any other court or courts having jurisdiction to try any civil suit arising out of this contract it shall be only the court of competent jurisdiction at Dibrugarh alone (where the contract shall be deemed to have been entered into) to try such suits to the exclusion of all other courts of the country and all causes of action in relation to the contract will therefore be deemed to have arisen within the Jurisdiction of the court at Dibrugarh (Assam) only.
- 13.0 Agreement: The contractor's responsibility under this contract will commence from the date of issue of the letter of intent/ work order. The tender documents, other documents exchanged between the tenderer and BVFCL the letter of acceptance and work order shall constitute the contract. You shall have to execute an agreement with BVFCL, Namrup on a non judicial stamp paper costing ` 100.00 within 10 days of the date of receipt / acceptance of the work order or before commencement of work whichever is earlier. The cost of stamp paper shall be borne by the contractor. The agreement to be executed will be in the agreement form to be specified by BVFCL, Namrup
