TENDER DOCUMENT

FOR

HYDRAULIC TEST IN NAMRUP-II AMMONIA HORTON SPHERE AND PNEUMATIC TEST IN 3 NOS. LIQUID NITROGEN STORAGE VESSELS IN NAMRUP-III AS PER RULE 19 OF STATIC AND MOBILE PRESSURE VESSEL (UNFIRED) RULE, 2016

Brahmaputra Valley Fertilizer Corporation Limited Namrup is a Central Sector PSU under the Department of Fertilizers, Ministry of Chemicals & Fertilizers. It has a number of establishments maintained under license from Petroleum Explosives Safety Organisation (PESO). Out of those establishments, 1 Nos. Ammonia Horton Sphere in Namrup-II and 3 Nos. Liquid Nitrogen Storage Vessels (under one licence) are proposed to be hydrotested and pneumatically tested respectively as per Rule-19, since as per the existing rules, these vessels are required to be hydraulically tested once in five years. Also 2 Nos. Safety Relief Valves each of 2 Nos. Ammonia Horton Spheres and 3 Nos. SRVs (1 No. in each vessel) in Liquid Nitrogen Storage Vessels are required to be tested as per Rule-18, which are tested once in a year as per SMPV(U) Rule 2016. All the vessels have their licence renewed upto 30.09.2021 and have not completed 5 years after the last hydraulic/pneumatic test.

Sealed Offers in online "TWO BID System" are invited FROM PESO APPROVED COMPETENT AGENCIES ONLY for the purpose of executing the above job of these vessels as stipulated in Static and Mobile Pressure Vessel (Unfired) Rules, 2016.

1.0 SCOPE OF WORK:

1.1 Tests to be certified by the Consultant:

- (a) Hydraulic Test of 1 Nos. 1500 MT Ammonia Horton Sphere
- (b) Pneumatic Test of 3 Nos. Liquid Nitrogen Storage vessels (One licence).
- (c) SRV test for 2 Nos. SRVs each in 2 Nos. Ammonia Horton Spheres of 1500 MT each (Total 4 Nos. SRVs).
- (d) SRV test for 3 Nos. SRVs in 3 Nos. Liquid Nitrogen Storage Vessels (one licence), 1 No. in each Vessel.

1.2 Terms & Conditions for the Consultant:

1.2.1 Hydraulic Test of Ammonia Horton Sphere of Namrup-II:

License No. S/HO/AS/03/35 (\$1479)

- a) Construction of scaffolding inside and outside the Horton Sphere wherever necessary for testing purpose as per requirement of the PESO accredited Competent Person.
- b) All structural materials for scaffolding are to be arranged by the Contractor at its own cost.
- c) All structural materials, waste cotton, kerosene and other consumables will be arranged by the Consultant at its own cost for cleaning the metal surface for carrying out the tests.

- d) Visual Inspection of the vessel.
- e) All NDT viz. Wet Fluorescent Magnetic Particle Testing on petal welds and nozzle attachments weld inside the spheres according to ASTM Standards with inspection instruments suitable for 110V A.C. supply, Dye-Penetration Test of the fillet welds of inlet nozzle, reinforcing pad like of inside and outside the vessel, Hardness measurement at selected areas of weld, heat affected zones and parent metal, Ultrasonic thickness profile for corrosion mapping from inside the sphere. Ultrasonic thickness measurement shall be carried out on each shell plate (8 to 10 measurement each). Random Ultrasonic Thickness Check of inlet, outlet nozzles and manifolds, Ultrasonic Flaw Check of butt welded joint on the shell at selected locations covering 100% of T – joints and HAZ, as mandated by PESO for this purpose, are to be arranged by the Consultant.
- f) Erection and removal of scaffoldings for NDT and inspection and cleaning of the inside of the Horton Sphere after removal of scaffoldings.
- g) Hydraulic Test of the vessel will be arranged by BVFCL.
- h) The vessel shall be filled with water from fire hydrants and pressurized by fire tender by BVFCL.
- i) Measurement of differential settlement of adjacent legs of the Horton Sphere during hydro testing to be done by the Consultant.
- j) Witnessing of Hydraulic Test and issuance of certificates as per rule 19 of SMPV(U) Rules, 2016.

1.2.2 **Pneumatic Test of Liquid Nitrogen Storage Vessels (3 Nos.)**

Licence No. S/HO/AS/03/13 (S1477)

- a) General Inspection of the licensed premises of Liquid Nitrogen Storage Vessels.
- b) Visual inspection of the internals of Safety Valves of these vessels.
- c) Air for pneumatic test and its pressurization shall be arranged by BVFCL. Pneumatic Test of the vessel will be arranged by BVFCL.
- d) Witnessing the Pneumatic Test of Liquid Nitrogen Storage Vessels (3 Nos.) and issuance of certificates required under the rule 19 of SMPV(U) Rules, 2016 for licensing purpose.
- e) Separate Test Reports and Rule-19 certificates are to be issued for each vessel under single licence No., as per PESO authority.
- f) Construction/removal of scaffolding wherever required for the above purpose including supply of all materials and consumables.

1.2.3 **Testing and certification of SRVs**

License No. S/HO/AS/03/35 (\$1479) – 2 Nos. SRVs

Licence No. S/HO/AS/03/14 (\$1478) – 2 Nos. SRVs

Licence No. S/HO/AS/03/13 (\$1477) – 3 Nos. SRVs

- a) Total 7 Nos. SRVs will be tested and certified-
 - (i) 2 Nos. SRVs for 2 Nos. Ammonia Horton Spheres each.
 - (ii) 1 No. SRV for 3 Nos. Liquid Nitrogen Storage Vessels each.
- b) For each of the SRVs, separate certificate as per Rule-18 is to be generated.
- c) Witnessing of SRV Test and issuance of certificates as per rule 18 of SMPV(U) Rules, 2016.
- d) Testing of the SRVs, including dismantling/re-fitting of the SRVs, if required, will be arranged by BVFCL and witnessing and certification is to be done by the PESO accredited Consultant.

1.2.4 **Other terms and conditions:**

- (a) Entire scope of work is expected to be covered in a single visit and immediately after issue of the Work Order.
- (b) Testing of SRVs may not be done, depending upon availability of in-house Competent Person as per Rule-18.
- (c) All the tools, tackles, machineries and equipments and pressure gauges, personnel safety tools etc. required for hydraulic test as specified in the SMPV(U) Rules, 2016 or any other applicable rules/acts is to be arranged at the site (including its transportation) by the Consultant at its own cost.
- (d) Supervisor(s) and workers are to be deployed by the Consultant at site at the time of execution of job.
- (e) Bidders have to specify the details of manpower deployment at Namrup to execute the job.
- (f) A preliminary site report will be submitted by the Inspector immediately after the hydraulic test,
- (g) Final site cleaning.

2.0 **BVFCL'S SCOPE OF WORK:**

- 2.1 All the drawings and relevant documents available with BVFCL will be provided, if required.
- 2.2 Food and accommodation for few outstation persons like inspector and supervisors shall be arranged in BVFCL Guest House free of cost excluding local contract workers engaged by the Consultant for scaffolding etc.

- 2.3 The vessel will be handed over in man entry condition and all the jobs of opening and boxing-up of the vessel and putting blind in various lines etc. will be done by BVFCL.
- 2.4 Opening of vessel insulation at some small places, if required for inspection and testing and providing the vessel with cold insulation after the completion of job shall be done by BVFCL.
- 2.5 110 Volt AC supply, water supply point and air supply will be made available by BVFCL.

3.0 ELIGIBILITY CRITERIA:

Quotations will be strictly accepted from those consultants only which are accredited by Chief Controller Of Explosives, Nagpur with current validity and a copy of the recent valid authorisation by Chief Controller Of Explosives, Nagpur for rule 18 &19 is to be attached with the bid.

4.0 SUBLETTING OF WORK:

Subletting of testing and certification job, whole or part, is not permissible. However, for scaffolding, NDT etc. other parties may be engaged with prior intimation to BVFCL. NDT is to be done by engaging certified persons only.

If required by the bidder, a list of resourceful contractors available for scaffolding will be shared alongwith contact details.

5.0 PAYMENT TERMS:

- 5.1 40% of the Work Order value will be released on receipt of Invoice along with 1 (one) hard copy of draft report and Site Report and the remaining 60% will be released after submission of the copies of final report.
- 5.2 Statutory dues, taxes etc, as applicable, will be deducted at source by BVFCL.
- 5.3 Payments shall be effected through electronic transfer only.
- 5.4 No advance payment is admissible.

6.0 SUBMISSION OF TENDER

- 6.1 No oral, telephonic, fax, telegraphic or E-mail tenders will be entertained.
- 6.2 For two-stage bidding,
 - (a) The first stage is General Information of bidders and Techno commercial Bid. The Bidder is to complete both the template online.
 - (b) The second stage is Price Bid. The Price Bid template should contain Price strictly as per format.
 - (c) The Price Bid of only those bidders who are found techno commercially acceptable, will be opened online with due intimation by our Service Provider M/s MSTC Ltd., Guwahati

- 6.3 No tender after the specified time and date will be accepted. BVFCL will not be responsible for any network problem/login problem and system failure.

7.0 QUOTATION OF PRICE:

As detailed, the Bidder should quote the price for job as per the Proforma for Quotation (enclosed as Annexure-I) separately for each of the following:

- 7.1 For the job of 7 nos. Safety Relief Valve (SRV) testing, Lumpsum amount for SRV test for 2 Nos. SRVs in 2 Nos. Ammonia Horton Spheres each and 3 Nos. Liquid Nitrogen Storage Vessels (1 No. SRV in each vessel), may be quoted.
- 7.2 For the job of Hydraulic test of 1 no. Horton Sphere, Lumpsum rates for testing may be quoted.
- 7.3 For the job of Pneumatic test of 3 nos. Liquid Nitrogen Storage Vessels, Lumpsum rates for testing may be quoted.
- 7.4 BVFCL may go for reverse auction, after opening of the Price Bids.
- 7.5 All the taxes, duties etc. are to be mentioned clearly.
- 7.6 All transportation and local convenience charges may be included in Lumpsum charges.
- 7.7 Any other fees.

8.0 EARNEST MONEY DEPOSIT:

- 8.1 As per directive of Govt. of India, Ministry of Finance dated 12.11.2020; no EMD is required to be paid by the bidders. But, the party will submit a Bid Security Declaration (as enclosed as Annexure-II) in their Company Letter Head to accept that if they withdraw/modify their bids during the validity of the bid submitted by them, the bidder will be suspended from participating in any bid of the Company for a period of one year, starting from the end of validity of their bid.

9.0 SECURITY DEPOSIT:

- 9.1 As per directive of Govt. of India, Ministry of Finance dated 12.11.2020, Security Deposit @3% of the Work Order value is to be paid by successful Bidder for proper and timely fulfillment of the contract.
- 9.2 The successful Bidder will deposit Security Deposit in the form of Bank Demand Draft or Performance Bank Guarantee as per specified proforma (to be enclosed with Work Order) from any one of the scheduled nationalized banks.
- 9.3 The Security Deposit is to be valid for a claim period of six months beyond the validity of the Work Order. If the validity of the Work Order terms and conditions are extended, then the validity of the Security Deposit is also to be extended by the successful Bidder accordingly, otherwise the SD-cum-PBG will be invoked.

9.4 The Security Deposit will not bear any interest.

9.5 Micro and Small Enterprises (MSEs) shall be given the benefits as per Govt. Guidelines.

10.0 TIME SCHEDULE FOR REPORTING AT SITE:

BVFCL will inform in writing (through fax/e-mail) regarding the commencement of the job and the contractor has to report at site within 10 (ten) days from the issuance of this letter.

The Horton Sphere can be hydraulically tested only after making it completely empty and washing it thoroughly for achieving man entry condition. The vessel is connected to Namrup-II group of plants and there is no stand-by vessel for this purpose and to complete the job of testing and all other allied jobs about four weeks time will be required. However, as the Namrup-II plants are under shutdown now, so the job may be offered immediately.

11.0 VALIDITY PERIOD OF OFFER:

The offer must be valid for a period of three months from the last date of submission of Bids. WORK ORDER WILL BE VALID FOR ONE YEAR PERIOD FROM THE DATE OF ITS ISSUE. However, it is expected that the job could be taken in hand immediately as already stated. All the jobs are expected to be covered in a single visit. Validity of the Work Order may be further extended, if agreed by the agency, on the basis of written request from BVFCL depending upon suitable time, on the same terms and conditions.

12.0 COMPLETION TIME:

The Horton Sphere will be emptied, washed and made free from ammonia by BVFCL for achieving man entry condition. The entire job is to be completed in not more than 21 (twenty one) days time from the date of hand over of the vessel by BVFCL in man entry condition and it is to be handed over back to BVFCL strictly within this time frame. The Consultant is expected to make all out effort to complete the job even before the stipulated period of 21 days to avoid production loss.

13.0 PENALTY FOR DELAY:

If the job is not completed by the stipulated time frame of 21 days (from BVFCL's hand-over of the vessel to Party's hand-over back) then 1% of the Work Order value (subject to a maximum of 10%) shall be deducted for each day delay starting from the 22nd day.

14.0 PROFORMA FOR QUOTATION:

The contractor is to submit their offer strictly as per the following proforma.

14.1 Brief Company Profile

14.2 Contact details with phone No. and e-mail id:

14.3 Photocopies of the credentials in support of PESO accreditation for the rule 18 & 19.

- 14.4 Photocopies of credentials in support of successful execution of similar jobs in recent past.
- 14.5 Details of manpower deployment
- 14.6 Contractor's Scope of Work
- 14.7 BVFCL's Scope of Work
- 14.8 Time Schedule for reporting at site
- 14.9 Fees Structure and GST as per Price Schedule proforma in Annexure-I
- 14.10 Financial Details of the company including balance sheet for the last 3 years, PAN, TAN, GST no.
- 14.11 Declaration for acceptance of all the terms and conditions of the NIT

15.0 GENERAL DIRECTIONS, TERMS AND CONDITIONS:

- 15.1 The execution of the work may entail working in all the site/position/height and weather condition and no extra rate will be considered on this account. The contractor may have to carry out the jobs by working round the clock as per requirement to be decided by BVFCL. No extra claim/overtime will be paid on this account.
- 15.2 Electricity, Water and Service Air will be provided free of cost at one point as per requirement of the job.
- 15.3 BVFCL may allot space for making temporary storage of work materials/work site by the contractor, which is to be cleared immediately after completion of work.
- 15.4 The work is subject to inspection at all times by BVFCL and the Contractor shall have to carry out the work to the entire satisfaction of BVFCL.
- 15.5 Sub-Contracting of the job will not to be allowed without prior permission of BVFCL as already specified.
- 15.6 Statutory deduction on account of Income Tax and other taxes shall be made at the prevailing rates, at the time of release of payment to the party. The party needs to submit PAN and GST Registration No.
- 15.7 The party shall quote the Taxes and Duties separately.
- 15.8 The rates quoted will be firm during the entire execution/ completion period and will not be subjected to escalation irrespective of any increase in the market rates of what so ever kind.
- 15.9 Tenders submitted by tenderer who resorts to canvassing will be rejected.
- 15.10 All the pages of the offer are to be signed by the authorized representative of tenderer.
- 15.11 The tenderer shall quote single rate against each item and not multiple rates. Any tender with the multiple rates quoted will be summarily rejected.

- 15.12 Tenders that do not fulfill any of the conditions laid down in the Tender Documents or are incomplete in any respect may not be considered.
- 15.13 Tenders that contain uncalled for remarks may be rejected.
- 15.14 The company reserves the right to accept the lowest or any other tender in part or in full or award parallel contracts or reject all or any of the tender without assigning any reasons.
- 15.15 The tenderer have to declare whether they are having any relations whether by blood or otherwise with any of the employees of the BVFCL.
- 15.16 The contractor shall at all times indemnify the owner against any claim which may be made under the Workmen Compensation Act or any statutory modifications thereof or otherwise for or in respect of any damage or compensation payable in consequence of any accident or injury sustained by any workman or other person whether in the employment of the contractor or not.
- 15.17 The Contractor will be solely responsible for any liability for his workers in respect of any accident, injury arising out of and in course of Contractor's employment.
- 15.18 Wages shall be paid by the Contractor to the workmen regularly and he has to ensure payment of minimum wages fixed by the government from time to time.
- 15.19 The contractor may employ such employees/ labourers as he may think fit and the employees so employed will be employees of contractor for all purposes whatsoever and shall not be deemed to be in the employment of BVFCL for any purpose whatsoever. The contractor shall abide by all rules, laws and regulations that may be in force from time to time regarding the employment or conditions of service of the employee. If under any circumstances whatsoever, BVFCL is held responsible in any manner whatsoever for the default or omission on the part of the Contractor in abiding by the aforesaid rules, regulations and laws or held liable or responsible to the employees of the contractor in respect of any matter whatsoever and called upon to make payments on that account, the same shall be reimbursed by the contractor to BVFCL.
- 15.20 An affidavit on Non-judicial stamp paper duly attested by Notary stating:
- 15.20.1 That party/their associates/sister concerns etc. have not been black listed or put on holiday by any Industrial Agency/Govt. Dept. For participating in the tender.
- 15.20.2 No other firm/sister concerns/associates belonging to the same group is participating/ submitting the tender for the job.

16.0 Submission of Offer:

- 16.1 Signed and scanned Techno Commercial bid and Price bid may be submitted through online mode only. No hard copies required to be submitted.
- 16.2 The Bidders are to submit their offer for the entire scope of job with itemwise breakup.
- 16.3 Photocopies of documentary evidence in support of PESO accreditation, past experience etc. are to be enclosed.
- 16.4 The bids will be opened as per the date and time specified
- 16.5 This NIT can also be viewed and downloaded in BVFCL's Company website www.bvfcl.com and Central Public Procurement Portal.

17.0 Force Majeure

The terms and conditions agreed upon by the Bidder shall be subject to Force Majeure. Neither the executing party nor BVFCL shall be considered in default in the performance of its obligations contained therein, if such performance is prevented or delayed or restricted or interfered with by reasons of war, hostilities, revolution, civil commotion, strike, epidemic, accident, fire, flood, earthquake, regulation or ordinance or order of any Government or any sub-division thereof, or authority or representative of any such Government or because of any act of god. The party so affected shall give a notice of such occurrence to the other party in writing within 10 days from the date of occurrence the force majeure condition, furnishing therewith documentary evidence supporting the invoking of the force majeure On cessation of force majeure the party invoking force majeure shall inform the other party of the period for which force majeure condition continued and shall also give documentary evidence thereof to this effect. Should one or both parties be prevented from fulfilling their contractual obligation by a state of force majeure lasting continuously for a period of 30 (Thirty) days, both the parties shall meet and decide about the future course of action for implementation of the project.

18.0 Arbitration:

- 18.1 Except otherwise provided in this Contract, all matters, questions, disputes, differences whatsoever which shall at any time arise between the parties hereto, touching the construction, meaning or operation or effect of the Work Order or out of matters related to the Work Order or breach thereof, or the respective rights or liabilities of the parties, whether during or after completion of the work or whether before or after termination shall be referred to the Arbitration in accordance with the provision of Arbitration and Conciliation Act, 1996.

- 18.2 The Arbitration proceedings shall be governed by the Indian Arbitration and Conciliation Act, 1996, or any statutory modification or re-enactment thereof and the Rules made there under.
- 18.3 Model clauses of International Centre of Alternate Dispute Resolution (ICADR), New Delhi may be followed for mediation/conciliation/ arbitration.
- 18.4 Both Parties shall continue to fulfill their respective obligations under this Work Order during the arbitration proceedings.
- 18.5 The award of the arbitration shall be final, conclusive and binding on all parties to the contract.
- 18.6 The venue of arbitration shall be New Delhi, India or any other place mutually agreed.

19.0 Clarification:

For any clarification regarding the above work, bidders may contact through FAX message (FAX No.0374-2500317) or e-mail (e-mail id: corporate@bvfc.co.in).
