In case of vacation of such quarters, the occupant/ Contractor shall require to intimate the date of vacation in the prescribed format available with the Administration Department.
12. The contractors have to abide by all the terms and conditions mentioned in GDCC in respect of carrying out the job, payments, settlement of disputes etc. The tenderer should carefully read and understand the clauses of GDCC before filling up the tender documents.
13. All works are to be done under the strict supervision of the contractor or his qualified supervisor(s) to the entire satisfaction of the Engineer in-charge or his authorized representative(s).
14. The clauses incorporated in the Special Terms & Conditions shall supersede such clauses appearing in GDCC also.
15. Interest free Security deposit (SD) at the rate of 10% of the value of work executed shall be recovered from running account bills unless party furnish a Bank Guarantee from a Scheduled Bank in lieu of that. Earnest Money shall be adjusted towards security deposit. The interest free retained SD shall be released after successful completion of defect liability period / and after the contractor submits the clearance regarding payment of applicable taxes & duties. Any sort of payable amount to BVFCL and or liability causes to BVFCL due to you shall be adjusted from your retained SD.
16. The declaration of the L1 bidder will based on the quoted amount including tax (cost to company).
17. **DEFECT LIABILITY PERIOD (PERFORMANCE GUARANTEE PERIOD):**

The defect liability period of work shall be 06 (Six) Months from the date of actual completion of work as per the issued completion certificate and the party shall, at his/their own cost & initiative, correct repair and / or rectify any/and all defect (s) and or imperfections in the work and / or in the work performed and / or materials, components or other items incorporated therein as shall be discovered during said defect liability period and in the event of the contractor failing to do so, BVFCL reserves right to get the same repaired at risk & cost of party PLUS 20% (Twenty Percent) departmental charges and the expenditure so incurred by BVFCL shall be adjusted towards the said Security Deposit and / or any other lying with BVFCL.

18. QUOTATION OF RATES

The tenderer(s) must quote his / their item rate in the prescribed Performa inclusive of entire statutory obligations as per prevailing Govt. Acts / Rules / Notifications applicable for the contract.

The item rates will remain firm during the pendency of contract and no escalation in item rates will be admissible.

Validity of quotation shall be 90 days from the date of opening of tenders.

20. The contractor should not engage labour(s) below the age of 18 years and the labourers permitted inside the factory premises under this contract should not be employed to any other job.
21. The contractor's labour should not be loitering at places not connected with his work and tamper with any equipment/ machineries etc. inside factory premises.
22. The vehicles brought inside the factory premises by the contractor including the tool/ tackles and equipment etc. with prior permission from concerned department in motor vehicles should be declared at the Gate and CISF will have all powers to check the vehicles when it is being taken in/ out of the gate. If contractor fails to declare the contents at the time of entrance, these will not be permitted to be taken out.
23. The contractor shall abide by all rules and regulations as framed by the company from time to time as applicable to his job.
24. The contractor shall make his own arrangements for providing tools & tackles etc. for his staff. Such facilities will not be provided by BVFCL.
25. The contractor should be required to make his own arrangement for the accommodations for his staff and BVFCL shall not be responsible for providing accommodations to them.
26. The contractor shall be required to make his own arrangements for opening a site-office/ go-down for day to day co-ordination with the concerned Officials at a specified place inside the factory premises near his work place after obtaining due written permission of BVFCL and at the time of submission of final bill, the contractor must dismantle, remove and clean the allotted site for office & go-down(s) etc. Failure to which, the same shall be dismantled & cleaned at the risk & cost of the contractor.
27. The supervisor of the contracting firm shall ensure that his workers shall start work in the working areas on direction / clearance from representatives of BVFCL. The contractor's supervisor shall ensure strict compliance with the instructions received from BVFCL.
28. The contractor must clearly understand that he is bound by this contract rigidly and shall enforce all safety regulations of BVFCL and will ensure proper use by his workers of all the safety and personnel protective equipments. In case of any accident or fatal accident which in the opinion of BVFCL can be termed as serious violation of BVFCL safety rules and regulations and/or infringement of any enforceable statutory provision on the part of the contractor's labour and his supervisor, the same will be dealt by BVFCL in the manner laid down for serious violation of such terms. It would be open for BVFCL to terminate all further contracts with the contractor who has been violating this **safety clause three times during contract period.**
29. It will be the responsibility of the contractor or his supervisor to ensure prompt medical attention at BVFCL's FIRST AID post / main Hospital, in case of any of his employee gets injured on work. Every injury must be brought promptly to the notice of BVFCL official under whom the contractor is functioning and the contractor's supervisor will give all required details

to him as to how the accident occurred. The contractor or his supervisor will fill and submit the required no. of forms immediately. The BVFCL administration has to report the dates of resumption of duty of the injured worker to relevant Government authorities and as such the contractor has to inform the DGM (Maint) / Engineer-In-charge / his authorized representative(s) the date of resumption of duty of injured worker.

30. Overtaking, rash and negligent driving inside the factory and driving vehicles without light and number plates/registration are strictly prohibited. Speed regulations and other driving rules inside the factory premises must be adhered to. The driver / cleaner of the contractor must not enter the factory under the influence of any drugs or alcoholic drinks.

31. PROCEDURE FOR PAYMENT

- 31.1 Payment will be released on the basis of actual work carried out after completion of the job. No RA bill shall be accepted. No advance payment shall be done.

The contractor shall prepare the bill in duplicate supported by joint measurements of executed items (complete in all respect) specifying the activities of the schedule of rates duly signed by the contractor or his authorized representative(s) and checked / countersigned by the authorized representative of DGM (MAINT) or Engineer-In-Charge. Then, the contractor shall submit the final bill(s) in specified performa following procedure laid down for the work to concerned Site Engineer / Engineer-In-Charge who after due verification of the bill will pass it on to Company's Finance & Account Department through DGM (MAINT) for release of payment. All formalities relating deduction of security deposit & Income Tax, recovery of materials issued from BVFCL store(s) and other penalties / outstanding as applicable will be made before releasing the payment to the contractor. In addition, any Tax & duty leviable to the contractor on account of Govt. notifications will be deducted from the bills and deposited to Government.

- 31.2 Material consumption reports along with valid challans specifying the materials details in terms of quality, quantity and brand name etc. as required must be enclosed with the submitted each RA / final bill by the party for check & scrutiny.

- 31.3 The contractor must submit final bill after satisfactory completion of the work including removal of contractor's working site office & go downs constructed for the work etc.

32. No payment shall be certified & forwarded to Finance department for release:

- (a) Against the incomplete works with respect to site condition / specification(s) laid down for the work / instructions issued by the concerned officials.
- (b) If the utilized materials arranged by the party is not of laid down specification / of approved quality.
- (c) If the work has not been executed as per the item of works / specification(s) laid down in the work order / contract, it will be the sole responsibility of the contractor to get the work rectified as per the specification of items at his risk & cost and no extra claim shall be entertained in this regard.

33. The contractor may be asked to submit daily progress report / status in detail in specified format regarding execution of jobs by the evening of that day or latest by next working day.

34. The contractor shall have no claim for any interest with respect to any delay in payment of monthly / final bill or refund of security deposit in respect of amount, which may be in the hands of BVFCL owing to any dispute between BVFCL and the contractor. In case of claim for

final bill after successful completion of work, the contractor must dismantle his working site office & go downs and failure to that BVFCL at liberty to dismantle the same and deduct the involved amount for dismantling plus 20% administrative charges against the demolishing operation.

35. PENALTIES / RECOVERIES

- a. In case, the assigned work shall not be completed within the stipulated time period, the work may be executed through other available contractor and the entire involved expenditure plus 10% as penalty shall be deducted from the original contractor.
- b. Three repeated failures in execution of work within stipulated time period may lead to cancellation of contract and also the contractor may be debarred from taking part in the contracts in future.
- c. Compensation for non-commencement or delay in completion of the work shall be applicable as per the clause no. 21 of GDCC.

36. OBLIGATIONS OF CONTRACTOR

- a. Required workforce, tools & tackles, for successful execution of the job, should be available at site / go-down so that in no case progress of work should hamper.
- b. The contractor shall be fully responsible for the total contractual obligations and answerable to BVFCL authority for due and faithful execution of work. It shall be sole responsibility of contractor to engage sufficient workers for various jobs involved, supervise the work done by them, to take disciplinary action in case of any misconduct committed by them and remove / terminate their services. BVFCL shall not take any responsibility in regard to their terms & conditions of service while in the service of the contractor or thereafter. However, it shall be obligatory on the part of the contractor to abide by the provisions contained in contract labour(R&A) act and rules made there under and other statutory provisions in regard to employment and terms & conditions of service in respect of workmen employed by them.
- c. **The service provider (Contractor) shall be responsible for deposition of Tax directly to concerned Tax authorities.**
- d. Any damage or loss of property of BVFCL, on account of assigned job due to human negligence and or equipments failure or due to any cause observed at party's part, shall be rectified / repaired as per the satisfaction of BVFCL at own risk & cost of the party and no extra claim shall be entertained.
- e. The party must ensure the use of proper quality / approved material before use. Contractor shall submit the test certificate for ensuring the quality of the cement. Approved brand of cement are CCI, Dalmia, Star, Lafarge, ACC or equivalent. Cement should be of recent manufacture, within three months.
- f. All tools and tackles to be arranged by contractor.

37. OBLIGATION OF BVFCL

- i. Bitumen/Cement/TMT bars shall be in party's scope.
- ii. Water charge @ 1% shall not be applicable against the jobs.

39. Rejection of Tender:-

In Addition to eligibility criteria and documents required mentioned above, the following may also be the reason for rejection of tender.

- a. If the quality of the works done by the contractor in the past was not found satisfactory.
 - b. If the contractor or his workers needs constant supervision for quality works.
 - c. If the contractor has sublet the work to others through power of attorney or allow other to work. Further if the firm/ contractor authorize other firm/contractor or any other person through POWER OF ATTORNEY or any means to participate tender.
 - d. If the contractor has the records of being blacklisted by any Govt. Department/Public Sector/Corporation etc.
 - e. Any other adverse remarks by the police authorities may also be the cause for its rejection.
 - f. If the contractor/firm has any pending legal case with BVFCL in any court.
42. Matters related to contractual disputes shall be dealt in accordance with ICADR, New Delhi (INTERNATIONAL CENTRE OF ALTERNATE DISPUTE RESOLUTION) Arbitration Rules, 1996.
43. BVFCL is committed to a corruption free work environment. "All the above purchases, services and commitments of BVFCL will be honored without the citizen having to pay any bribe". In case any person demands any bribe, it is the duty of the responsible to inform the matter to vigilance office, BVFCL, Namrup, P. O. Parbatpur, Dist. Dibrugarh, Assam PIN- 786623
