- 1.0 Through out cleaning the diffuser wearing ring areas.
- 2.0 Checking of parallelism and if required machining to be done for accordingly.
- 3.0 The areas where antimony carbon to be fitted, has to be polished properly.
- 4.0 Machining of carbon OD and length in respect to diffuser ID.
- 5.0 Preheating of diffuser for expansion at desired temperature and after inserting antimony carbon ring again keep the same in furnace and bring down the temperature slowly & steady for proper shrunk fit.
- 6.0 One sample diffuser of another pump having carbon as shrunk fitted to be provided to you.
- 7.0 ID of the all shrunk fitted antimony carbons to be strictly maintained as per dimension given below.

ID of the first stage diffuser (01 no.)	= 130 mm
ID of the other stages of diffuser (05 nos.)	= 120.5 mm
ID of the intersatge bushing of diffuser (05 nos.)	= 65.5 mm
- 8.0 Any other activities, not included above but required for successful completion of the jobs, shall be in the party's scope.

3.00 Special terms & conditions:

- 3.01 The party shall start the job immediately after receiving the plunger at their works.
- 3.02 The job shall be executed with the highest level of skill and care, workmanship, diligence and efficiency in accordance with good engineering practice.
- 3.04 The party shall submit a final dimensional report of the work done after completion of job.

4.00 Other Terms & Conditions.

4.01 In all cases of disputes, the decision of this company shall be final. Failing this, the matter will be referred to the Arbitration in accordance with the Indian Arbitration and Conciliation Act 1996 and amendment thereof.

4.02 The contract shall be deemed to have been entered into at Namrup and all courses of action in relation to the contract will, therefore, be deemed to have been within the jurisdiction of Dibrugarh Court of Dibrugarh district in state of Assam

5.00 Completion Time:

5.01 The completion time for the job shall be 02 (two) months from the date of receipt of the materials at the tenderer works/service centre.

6.00 PAYMENT TERMS:

Subject to deduction as admissible as per rule payment will be released as follows:

- i) 90% of the value of completed job will be released on successful completion of the work duly certified by BVFCL engineer.
- ii) Balance 10% shall be retained as Security Deposit unless a Bank Guarantee from a schedule bank is executed in lieu of that for the equivalent sum. SD will be released after expiry of workmanship guarantee of 6 (Six) months to be valid from the date of completion of jobs.
- iii) All other statutory deductions will be made as per BVFCL rules.
- iv) Payment will be made through RTGS/NEFT. The party shall provide their account details.

7.00 Transportation & Insurance:

BVFCL shall arrange to & fro transportation and insurance. However, careful handling of the plungers at the party's works shall be tenderers responsibility.

8.00 The tenderer shall be responsible for compliance of central rules, statutory rules and other regulation as applicable.

9.00 Guarantee:

The job will be guaranteed against poor quality of material/workmanship. In case of any defects, the same will be rectified free of cost. A certificate to this effect will be furnished by the tenderer.

10.00 Inspection and Packaging & forwarding:

10.01 Final inspection & acceptance will be at BVFCL site on receipt of material.

10.02 Material(s) ready for dispatch shall be packaged adequately to avert any damage during transit and arrange the same for forwarding to our authorized transporter only.

11.00 Validity of Contract

11.01 The contract shall be valid for a period of one year from the date of award of work order.

12.00 Force Majeure:

In the event of either of the parties being rendered unable, wholly or in part, by force majeure to carry out its obligation under the contract such party shall give notice with full particulars of such force majeure in writing or by Fax / Telegram to the other party as soon as possible after occurrence of the cause relied on. The obligation of the party giving such notice, so far as they are affected by such force majeure, shall be suspended during the continuance of any liability so caused but for no longer and such causes as are capable of remedied shall as far as possible be remedied with all reasonable dispatch, provided the same is not inadvisable for the party having difficulty
